EDUCATION

Institute of Technology & Management (ITM), GIDA <i>Bachelor of Technology, Computer Science & Engineering (AKTU)</i>	Mar 2022 – Mar 2026 <i>Gorakhpur, UP</i>
Academic Global School, Gorakhpur, UP <i>Class XII</i>	2022
Savitri Public School, Maharajganj, UP <i>Class X</i>	2020

TECHNICAL SKILLS

- **Languages:** Python, SQL, JavaScript
- **Data Analytics:** Excel, Power BI, Pandas, NumPy, Matplotlib
- **Web:** HTML, CSS
- **Tools:** Git, GitHub

SUMMARY

Recent B.Tech graduate with a strong interest in Data Analytics. Skilled in Python, SQL, Excel, Power BI, Pandas, and data visualization. Completed projects in Netflix Data Analysis and E-Commerce Sales Analysis to extract insights and support data-driven decisions. Eager to apply analytical skills and grow in a data driven environment.

PROJECTS

- EnsureEase Real Estate Analytics Dashboard** | *Power BI, DAX, Excel* 📄
 - Built an interactive Power BI dashboard to monitor property sales, revenue, and market trends.
 - Performed data cleaning and transformation using Power Query and created DAX measures for business KPIs.
 - Designed dynamic visualizations and filters to provide actionable real estate insights.
- Enterprise Retail Analytics** | *Python, Pandas, NumPy, Matplotlib* 📄
 - Performed exploratory data analysis (EDA) on retail sales data using Python, Pandas, and NumPy.
 - Analyzed sales performance, customer behavior, and product trends through data visualization.
 - Generated actionable insights to support data-driven business decisions.
- HR Analytics Employee Attrition Dashboard** | *Power BI, SQL* 📄
 - Developed an interactive Power BI dashboard to analyze employee attrition, job satisfaction, and workforce trends.
 - Used SQL for data preparation and Power BI visualizations to identify key factors affecting employee retention.
 - Created KPI cards, charts, and filters to support HR decision-making.
- Netflix Data Analysis** | *Python, Pandas, Matplotlib* 📄
 - Analyzed Netflix dataset using Python and Pandas to identify trends in content, genres, and release years.
 - Created visualizations with Matplotlib to extract actionable insights from the dataset.

ACHIEVEMENTS

- Secured 1st Position in Kho-Kho at AKTU Sports Fest, Zonal Level (2023)
- Secured 1st Position in Kabaddi and 2nd Position in Kho-Kho at ITM Parampara (2024)

CERTIFICATIONS

- **Networking Fundamentals Workshop** – ITM GIDA & PyNet Labs (April 2025)
- **Data Analysis (Power BI)** – Analytics Vidhya (July 2025)
- **Machine Learning using Python** – Simplilearn
- **Languages:** English, Hindi
